ABOUT *the* DVD

Going back to basics is important to all riding disciplines. In this DVD, Tom Curtin works with ex-racehorses and demonstrates key horsemanship principles to help the horses adapt to new careers. As you will see, foundation is key to helping racehorses fit well in new jobs after their running careers are over. And, as Tom says, "We have to work with these horses as individuals. Each one is different. They're not machines that come with an owner's manual. Horses have feelings — and we have to understand their needs."
